FAQ

Does the landowner need to be named as an additional insured?

Yes. Most landowners will wish to be named as an additional insured so they will be covered in the event they are named in a suit caused by an occurrence of the hunting club. Our policy requires them to be named so that everyone involved in the lease has coverage.

Does a hunt club have to be a formal entity with bylaws etc. to participate?

No. Any group- of hunters can participate in the AHLA risk management program.

Once your payment has been received, you will be able to create a lease agreement on the website if you desire. If you would like us to create it, send the lease agreement form along with your premium payment.
